- How did you hear about Solar Outdoors? _____

Solar Outdoors Liability Waiver

I understand that Solar Outdoors provides a forum for the exchange of ideas, information, skills, and equipment as well as the planning and conducting of outdoor activities and classes by and with people who share similar interests. Solar Outdoors does not directly provide activities or classes, and the individuals who lead and participate in such events as members of Solar Outdoors are not professional guides or outfitters. Solar Outdoors is a volunteer organization made up of people who enjoy outdoor recreation and are interested in sharing this enjoyment with others.

I understand that there are risks inherent to participation in outdoor activities. These risks include, but are not limited to: falls, burns, dehydration, exposure to the elements, drowning, insect and animal bites, human errors, equipment failure, and falling debris that may result in serious injury or even death. I understand these risks and agree to assume them.

I hereby release from any and all liability, for myself and my heirs, any and all members, participants, instructors, or organizers of events offered through Solar Outdoors; Solar Outdoors steering committee members; and the Solar Outdoors organization itself for any harm or injury that I suffer as a result of my participation.

This release is to include any risk or harm listed above, as well as any and all risks, known or unknown, which I may encounter through my participation in the activities in which I may choose to engage. This would include risks associated with the transportation to and from such activities, except as allowed by Michigan Law for Negligence of a driver of an individual automobile (not owned by Solar Outdoors) who may be at fault in a personal injury accident. I understand that Solar Outdoors does not provide insurance for such risks and any automobile insurance is solely the responsibility of the owner of the automobile.
